Dear Guest,

It is our great pleasure to welcome you to
Lough Rynn Castle Estate & Gardens.

With great research & tasting of local fresh
produce, we have created
a series of Table d'Hôte & A La Carte Menus,
which use
local suppliers from Leitrim & the surrounding
counties.

We would be delighted to explain in further
detail any questions
you may have regarding our dishes.

Our Wines have been carefully selected from
Vineyards across France,
Italy, Spain & the "new world".

We look forward to your comments &
sincerely hope you enjoy
your dining experience.
